*Roz
holografic*

Alege un primer pentru
piele radiantă și un strop
de iluminator lichid sub
fondul de ten lichid. Aplică
mascara, pentru alungire.
Evidențiază buzele cu ruj
roz metalizat și punctează
iluminator lila pe arcul
lui Cupidon, pentru
strălucire.

URZEALA LUI ROZ

Rozul ia cu asalt direcțiile stilistice din acest sezon. Pastel, ciclam, fucsia, neon, mat,
metalic – ai liber pentru a folosi orice nuanță de roz în lookurile tale.

**STARE DE ROZ
ABSOLUT**

Studiile spun că roz
este o culoare cu potențial
de a induce subtil o stare de bine,
iar acest look de păpușă modernă
seduce instant. Buzele îndrăznețe,
lucioase, se completează ideal
cu machiajul diafan și cu
tunsoarea pixie,
de sezon!
